TAXI FOR MR TURNER

JEFF WINS THE LONDON TAXI TROPHY AT A POOR FISHERWICK STREAM POOL

Jeff Turner collected his first win with the club by taking the honours at a very poor Stream Pool at Lichfields

Fisherwick Lakes. I think enough has been said about why we had to fish the particular pool so let's concentrate on Jeff's victory. The winner managed to land a couple of nice Carp in his 11 pound winning weight from peg 10 which will surely make up for his disappointing start to the season.

Juan Periera rounded off a good season finishing in second place with 9-8. Juan was pegged in the same region as the winner and put two Carp on scales at the weigh in.

Peter Bullock landed the biggest fish of the day from peg 18 next to the match pool which was enough to secure third spot with 8-8. Peter tempted the big fish from the far bank margins and made up his catch with bits from under his feet.

Steve Cox collected Fourth spot with a mixed bag of Carp and Perch from peg 4. Fishing in open water near the bend Steve used dead reds over pellets.

John Male finished in fifth with 7-8, whilst Rob Cox put 5-13 on the scales for sixth.

ROB WINS THE SINGLES

Rob Cox rounded off a successful season by lifting the Singles event by a single ounce. It was the closest BRS Shield final we have ever had and how unlucky Dave Skinner was to lose the final by a narrow margin. After Dave had weigh in with 5-12, we had check Rob's weight twice before it was verified at 5-13 just one ounce difference. You could understand if Dave was upset, but credit to the man he went straight over and shook Rob's hand and congratulated him.

Well what a season it turned out to be for Rob Cox he finished with the First Division Championship, Won the doubles with Juan Periera, Collected the BRS Shield for his win In the Singles event against Dave Skinner And he has the biggest fish of the season. Juan Periera also completed a good season 3rd Division winner, Doubles winner with Rob, Best match weight, Lou Hughes Memorial Trophy, plus the best overall Weight in the Lou Hughes Memorial.

We will be counting your individual results from this years Doubles match and they will count towards the league tables. Please remember you will drop your worst result throughout the season and if for any reason you miss a match you will be awarded 10 points. If two or more are on the same number of points overall weight will decide the positions.

IT WAS CLOSE

The 2015 season provide some very close finishes in all Three divisions and after 10 matches we now know who will be promoted and sadly relegated. Rob Cox and Kieran Smith went into the final match with just one point separating them at the top and Rob extended that to two points which gave him the First Division Championship. Peter Bullock moved into third place on 32 points two clear of John Male. Steve Cox moved up a place after his good finish at Fisherwick and Ian Rennie slipped to Sixth on 36. Mark Jones and Sean Durrant will be relegated.

The Second Division has been very close all season and it was Dave Skinner who came out on top with a Four point Cushion. Dave will now take his place in the top Division next season where he will be joined by Darren Bullock. Darren and Dave Crosby finished level on 31 points but Darren wins the second place by virtue of a better overall weight throughout the 10 matches. This is the second year on the trot that Dave has finished Third. The two promoted members from last season Paul Hotchkiss and Dave Robinson were level on 33 but Paul had the better weight. John King ended in sixth on 37 while Colin Parsonage and Bob Hinks are sadly relegated to Division Three.

Juan Periera ran away from the field in Division Three and his Five divisional wins seen him coast to a Seven Point winning margin. Juan will be in Division Two next year alongside Andy Taylor who claimed the runners-up spot with a strong finish to the season. Mary Turner finished in Third place which she can be pleased with in her first season with the Club. Brian Tovey and winner at Fisherwick Jeff Turner were level on 40 points with Brian having the better weight advantage. Jeff could have done a lot better but he had to overcome a horrible start to the year. Ian Hughes had a good finish to the season and ended up in Sixth on 45 points which was Six clear of Alan Martin who suffered after his operation mid way through the campaign. Alan Whitmore the 'Langley Wizard' himself finished 2015 with 55 points.

NEWS

JUST FOR YOU BOB

I got some stick from Bob Hinks recently regards not publishing a handout after the match in which he finished second at Alvechurch. I can only apologize Bob so I hope this will make up for me sitting on the beach whilst you were enjoying your day.

I think a big thank you is in order for John Male who organized last weeks Charity match at the Arley Farm Pool. A lot has been said on the Web-site about the day but it was really that good. The 12 who fished the match got into the spirit right from the word go and it continued until the end when all those who managed to collect winnings donated them straight away to the Charity. What a fabulous gesture by all concerned and I'm sure John will pass on our thanks to those who run the pool for allowing to use their facilities.

Paul Rennie made his annual journey to fish in our charity match and when you consider he lives in Newcastle upon Tyne he can see what an effort that really is. I think he makes the 400 mile round trip just so he can beat his brother Ian, which he managed to do again. Paul was suffering on the day but collecting the pound bet off his brother must have made the journey all the better
