NEWS

Congratulations must go to John King for his super win at Packington, John like most of us heard before the match that you should do this and use that but he had his own plan and it worked superbly. It was simple he told me afterwards I just used Corn right in front of me so why complicate things. A special mention should also go to Brian Tovey who finished Third for the second consecutive contest. Also for the second match in a row the Division three anglers did well supplying two of the first three finishers.

I'm afraid it's that time of year again when I must ask all those who collected annual trophies at last years presentation to return them to me ASAP. I will not be at the next match so please make sure you have them at the last match. I need a bit of time to get them engraved and do not want to chase around collecting them. Please do you best.

Just a reminder for all those intending to fish this years Charity match to contact John Male. The match will take place on Sunday October 18th at the usual venue Arley Farm Pool which is located in Old Arley. John will issue all the details of the draw time and it will take place in the local pub who will be serving breakfast for those who are interested. No doubt Ian Rennie will be out to defend the trophy.

SINGLES SEMI-FINALS

DAVID SKINNER

Dave qualified for the last Four by winning Group A with Eight points from his Five matches losing his only match against Andy Taylor.

V

PETER BULLOCK

Peter won the singles last year and will be out to defend his title after winning all Five fixtures in Group C For a perfect score of 10 points.

ROB COX

Rob lost out in the Semi's last season and will be all out to reach the final after qualifying from the tough Group B unbeaten in his Five matches.

V

BRIAN TOVEY

Brian made to the last Four after defeating Steve Cox in a last match decider in Group D he put together Eight points when qualifying.

After a tough qualifying campaign the Four group winners will now contest the Semi-Finals in our next match at Alvechurch Fishery on the New Canal Pool. It will be interesting to see how the Four tackle the New Pool which only opened earlier this year with the weights being very good from the matches which have already been fished on the 25 peg pool.

After winning the competition last year Peter Bullock must start favourite in his Semi but he will find it hard against the ever consistent Dave Skinner who's making a big push for promotion to the First Division after just missing out last term.

The second last four clash should be a cracker between Rob and Brian. Both members are in fine form of late and it will be fascinating to see who reaches the final.

SUNDAY 27th SEPTEMBER

2015 CLUB MAN OF THE YEAR

It's time for you all to consider who you will be voting for in years Clubman of the year. It's unfortunate that I will be missing the next match at Alvechurch but I will be giving the voting forms to John Male to hand out at the match. If you fill in the form and hand it back to me at the final match at Fishwick the the result will be announced at the Presentation Evening in November. I normally give a few suggestions who I think deserves consideration but with a few matches still to be held I think this would be inappropriate. In the past the award has gone to the person who you think has either worked hard throughout the season or had an outstanding season regards the fishing.

PAST WINNERS

2007 - MICKY SMALL
2008 - ALAN WHITMORE
2009 - STEVE COX
2010 - EMMA

2011 - PETER BULLOCK
2012 - ROB COX
2013 - SEAN DURRANT
2014 - JOHN MALE

PLEASE HELP JOHN

Could you if required help John Male out at the Alvechurch match, John will no doubt try to do everything on the day but I'm sure he will need a little assistance. When I've been away in past the support John has received has been fantastic so please keep it going. The good thing about fishing at Alvechurch is they do the weigh in for us but I still need someone to walk around the pool and record the totals on the match sheet.
