KIERAN SMITH WINS AT WILLOW MARSH

Kieran Smith collected the honours at Willow Marsh when he put 35-8 on the scales which gave him victory by seven and half pounds. Kieran like most on the day could not believe how many fish were spawning on the Dragon Fly Pool and he had to wait along time before hooking into a nice 12-08 Carp using the long pole up in the water. Kieran changed his tactics later in the match by going deeper which brought more success and a well deserved victory which sees him lift the Crosby Cup.

On the favoured peg 38 Dave Skinner gave his normal consistent performance to land 27 lbs which was enough for him to claim second place. Dave used the feeder throughout the match for his all Carp catch.

Darren Bullock was into fish early doors from the nearside peg 3. Darren used the long pole with various baits to claim third spot which is enough to see him top of the Second division.

It was unusual to see John Male begin on the feeder but he must of known something because he ended up in fourth place with 17-14. John was a little unlucky later in the match

When he lost a good fish which could have pushed him into third spot.

Juan Periera is having a good start to the season he began the match with a fish first cast which sorted him out for fifth place and running him close was Rob Cox who scaled 16-5 for sixth.

SINGLES

We held our second group matches of the singles at Willow Marsh and Dave Skinner, Dave Crosby, Kieran Smith, and John King are the early leaders in their respective Groups. All Four remain unbeaten but that could change in the third matches when Kieran takes on Peter Bullock who is also on maximum points.

ROB COX GETS THE BIGGEST FISH OF THE SEASON SO FAR

Rob Cox fishing from Peg 5 registered the biggest fish of The season to date when he landed a 15-01 Carp.

It was a day for big fish with Alan Martin landing a 12-00 Carp from Peg 11 and Darren Bullock hooking into a 11-10 Carp off peg 3.

We will be counting your individual results from this years Doubles match and they will count towards the league tables. Please remember you will drop your worst result throughout the season and if for any reason you miss a match you will be awarded 10 points. If two or more are on the same number of points overall weight will decide the positions.

FIRST LOOK AT THE TABLES

It normally takes Three or Four matches before the League's start taking shape so I thought it's about time we had look at who's doing what.

With his win at Willow Marsh Kieran Smith has moved to the top of Division One a single point clear of John Male. With a good performance at Willow John now holds a two point advantage over Ian Rennie and the improving Rob Cox who are both on Six. Steve Cox is on 7 points a couple clear of Peter Bullock who holds the same lead over Mark Jones. Sean Durrant is at the foot of the table on 17 points.

It is Darren Bullock who holds the early lead in Division Two but with only two points separating the first four it's very close. Dave Skinner with his divisional win at Willow is in second with John King and Dave Crosby chasing just a point behind. Both Paul Hotchkiss and Dave Robinson dry netted on the last match which seen them both drop down the table stuck on Seven points each. Colin Parsonage had a good match on the Kidderminster venue which has dragged him back and is now in touch with those on Seven. Bob Hinks is in eighth on 18 points.

Juan Periera sits at the top of Division Three with a two point cushion over Mary Turner who moved back up the table with yet another top ten finish at Willow Marsh. Alan Martin is another moving in the right direction he his third with Five points, one clear of new boy Andy Taylor. After a slow start Ian Hughes is also improving he sits on Seven points two clear of Alan Whitmore. The bottom two Brian Tovey and Jeff Turner failed to put fish on the scales in the last match and they both have Ten Points.
