

# EXEL ANGLING CLUB 2017

I'm sure you don't, but just a quick reminder that our 2017 season will begin on Sunday 23rd April when we visit Willow Marsh Fishery fishing the Dragon Fly Pool, we have all the pool booked. I have spoken to the owners who tell me that food will be available on the day, not sure yet if the food will be available from the start or they will run a service to bring it to your peg during the match.

I have attached details of our first three matches of the season because unfortunately I will not be able to attend the Parkers Fishery match due to holidays. I will be after an early draw for the third match on the canal because we do not land until 03.30 on the Sunday morning of the match and of cause I will be after some bait plus some matchsticks to keep my eye's open.

During the past two weeks or so I have been busy booking matches for our 2018 season, you will be glad to know I have booked all the matches except our canal match.

APRIL 22nd 2018 - CANAL MATCH (TO BE BOOKED)

MAY 20th 2018 - WESTON LAWNS (POOL 3)

JUNE 10th 2018 - ALVECHURCH (HORSESHOE LAKE)

JUNE 24th 2018 - WASSELL GROVE (MATCH POOL) NEW OWNERS

JULY 8th 2018 - SOLHAMPTON (KINGFISHER POOL)

JULY 22nd 2018 - DAYHOUSE FARM (BOTTOM POOL)

AUGUST 19th 2018 - WOODLAND VIEW (FRONT DEANS)

SEPTEMBER 9th 2018 - COPPICE LANE (BECKETTS)

SEPTEMBER 23rd 2018 - ALVECHURCH (CANAL POOL)

OCTOBER 14th 2018 - BONEHILL MILL (DALES POOL)

You will see that Weston Lawns, Wassell Grove, and Dayhouse Farm are back on the list for next year. Wassell Grove have new owners who have already made vast improvements to the fishery which you can see on their web-site and we have all of the match pool booked. Last time we fished Dayhouse Farm we used the top pool so I thought we would have a change and fish their other pool which is much bigger. Solhampton and Woodland View are top fisheries and I must warn you all well in advance that both are very strict on the their rules.
