DAVE ROBINSON WINS ASTWOOD

SEAN WINS DIVISION ONE

KIERAN WINS DIVISION TWO

DAVE WINS DIVISION THREE

Dave Robinson won a disappointing match at Astwood fishery with over 10 pound to spare. Dave was pegged in the corner of the Buddleia Lake and showed all of his experience to put together a decent bag of fish while others around him where struggling. Most of his 30-1 catch came in the second half of the contest when he changed to meat in the margins and found some good Carp.

Kieran Smith fished from peg 4 on the right hand side of the lake from the entrance and used the long pole to the island in front of him and managed to put 19-10 on the scales. The weight was enough to give him second place but I think he might have a sore back in the morning holding the pole for almost the five hours fished.

It was nice to see our regular guest Mary Turner finish in the top three. Mary used the feeder throughout from peg 20 and finished with a level 10 pound. I think this was just reward for Mary who made up the numbers in our recent Doubles and Teams Of Three events.

It was also nice to see John King in the frame after some recent disappointments. John was on the far side of the Lake and put 9-8 in the net to collect the Fourth prize.

Peter Bullock caught a late Carp which proved enough to see him in Fifth place closely followed by Sean Durrant who struggled early but found a few later to finish in sixth.

SINGLES

I think it's fair to say we seen two upsets in the semi-finals with both Favourites Sean Durrant and Rob Cox beaten. Sean came close to reaching his third final on the trot losing out by 9 ounces to Peter Bullock

It was unfortunate to see Rob Cox put in his worst showing of the year in the Semi's which allowed Kieran Smith to move into the final. It was a shame the Lake did not produce the fish on the day.

We will be counting your individual results from this years Doubles match and they will count towards the league tables. Please remember you will drop your worst result throughout the season and if for any reason you miss a match you will be awarded 10 points. If two or more are on the same number of points overall weight will decide the positions.

We now have just one match to go and some of the positions in the leagues are still undecided.

In Division One Sean Durrant is the champion of 2014 he now has a seven point gap which is enough to see him over the line. The runners-up spot is still up for grabs with Peter Bullock putting in a late surge to move to within two points of Rob Cox. Mark Jones and John Male are comfortable in mid-table but the battle to avoid the drop is now a three horse race. Darren Bullock will have to finish above Steve and Micky to be certain of maintain his First Division status.

Kieran Smith is back in the top flight next season, he holds an unassailable six point lead at the top of Division Two. Who will join Kieran in the top Division next term is going down to the wire. Ian Rennie looked to be on course for promotion throughout the season but Dave Skinner is making a solid move and is now putting on the pressure. David Crosby and John King are looking safe in fourth and fifth, but it's now a battle between Colin Parsonage and Bob Hinks who will going down with the unlucky Brian Tovey. Colin holds a three point lead at present but who can tell what will happen at Fishwick.

Dave Robinson will be moving up to Division Two next season as champion of the 2014 Division Three. Four divisional wins in the last five matches has seen Dave move seven points clear. The season long see-saw battle for second place between Jeff Turner and Paul Hotchkiss is now finally taking shape with Jeff holding a four point lead going into the final match. Juan Periera could have been in the mix if he had started from scratch at the beginning of the season, If you take them first two 10's away who know's what score he would have now. Alan Whitmore continue's to try hard to get out of the division and will finish fifth, Ian Hughes and Alan Martin will fight it out to see who finishes in sixth.

2014 clubman of the year

It's your chance to vote

I hope all of you received a voting form on Sunday on which you can nominate your choice to win this years 'Clubman of the year' award. All you have to do is enter the name who in your opinion deserves to lift the award at our Presentation evening in November. Then you can hand the form back at our last match of the season at Fisherwick Lakes.

I do not want to influence anyone in any way when I suggest a few of my own personnel choices it's just my opinion. In no particular order for all his hard work behind the scenes my suggestion would be John Male, he works hard on the web-site, arranges all the draw sheets and arranges the all important prize money after every match. The next person is Kieran Smith for his magnificent performance at Cob House when he broke the clubs Individual weight record. Last of all I think Mark Jones deserves a little credit for being in both of the Doubles and Teams Of Three winning Teams. At the end of the day it's your choice.

SINGLES FINAL SHOULD BE A CRACKER

We now know the two members who will contest the final of the 2014 singles competition at our last match of the season at Fisherwick. Both Kieran Smith and Peter Bullock have had to overcome five group matches plus a semi-final to reach the show-down and I'm sure it will be a cracking final.

Peter Bullock in fact lost his opening group match to his brother Darren but then went on to win his next four matches before overcoming the two times Winner Sean Durrant in a close fought Semi-Final.

Kieran Smith had no problems in the group stage he won all five matches against Ian Rennie, Colin Parsonage, Dave Skinner, Jeff Turner, and Bob Hinks. In his Semi Final Kieran came up against

Rob Cox who had a bad day at the office but he still managed to put over 19 pound on the scales on a difficult day for all.

So who will win the final at Fisherwick on our next and last match of the year. Both members are on form

And it will be hard to pick a winner, I would just like to wish them both all the best.

PLEASE HELP JOHN AT THE CHARITY MATCH

I know I mentioned it briefly in the last handout but could you all please help John Male at our charity match which will take place on Sunday October 5th. It's unfortunate that I will have to miss the match but I'm sure you all know that John has not been in the best of health recently and I would hate to see him over do things. The things I'm looking at are the pegging out and the weigh in.

ROB COX GET'S A 7.5 FROM DAVE ROBINSON

I'm not sure why Rob Cox took the plunge at our last match at Bonehill Mill but he certainly caught the eye of Dave Robinson who gave him 7.5 on our Web-site. Rob must of thought he had enough in the net to win the match and decided to take an early celebrated dip. I hope this is not another trend like the Rob Cox 'Slip Club'.

Our Presentation evening has a special twist to it this year, not only are we presenting awards to the winners of our competitions but we are also going to celebrate Ian Rennie's 50th birthday. Ian has been a popular member of our club since it began back in 2004 and please remember all the time he has given us providing the music at all of our events free of charge. I think it's right to say at this stage due his good behaviour we will be giving Ian the night off regards the music which in this case will be provided by his daughter Emma who's also been a big supporter of our club and infact she won the clubman of the year in 2010 for all the hard work she did with our web-site.

You will have also noticed that we have changed the venue from our usual site The Aston Social Club. There are two reasons behind this firstly when the football fixtures came out Aston Villa where at home on November 22nd which would have caused us traffic problems but they have since changed that to a Monday night match which I did not know of at the time. The second reason is that when we held a function at the Great Barr Club a couple of years ago their hospitality was first class. I said at the time I would like to hold our Presentation Evening at the venue and was really surprised when they had a vacant date.

I know it's not the perfect location for those who have to travel but everyone must understand we have to hold the event somewhere and I try to hold it as central as I can.

The Club are telling me the room can hold 120 which I think is a little ambitious so I would like to limit the attendance to 90 which I think will be more comfortable. I would like all the members to let me know how many will be attending so I can let Ian Rennie know how many of his family can come and enjoy his celebration. I would also like to be fair to Pete and Darren Bullock who always bring along a number of people to support our evening.
