## BIRTHDAY BOY DARREN WINS AT COPPICE LANE

Darren Bullock celebrated his Birthday in style by winning on Becketts Pool at Coppice Lane Fishery. Darren supplied all those taking part with some nice cakes before the start and then collected his present out of the draw bag the much fancied peg 22. Darren used JPZ's throughout the match and picked off some nice Carp during the five hour match

Couple of pegs away from the winner was the most consistent performer this season Sean Durrant and again he made the frame in second spot putting 35-8 on the scales. Sean used the feeder and the pole to good effect and his catch included a nice looking tench.

Third placed Steve Cox started very well from peg 25 putting five Carp in the net within the first hour. Steve's 6m line dried up but he picked up more fish from the margins to end with 23-14.

Colin Parsonage was again in the money finishing in fourth place. Colin fished close to the island right in front of him and put together a nice mixed bag for 22-7.

Dave Crosby didn't allow his late arrival to stand in his way finishing in fifth place with 21-8 and Peter Bullock included a nice 7 pound Carp in his 20-8 which was enough for sixth.

Chairman of the Blue Rinse Brigade Lou Hughes claimed the biggest fish of the season from peg 27 a stunning 9 pound 2 ounce Carp.

### SINGLES:

We now know the finalist's in both Singles competitions In the BRS Shield Sean Durrant powered his way to victory against Mark Jones and he will take on Dave Robinson who defeated Micky Small who failed to weigh in. Like the overall winner Dave also celebrated his Birthday he is now officially a pensioner.

In the Subsidiary Shield Ian Rennie and Alan Whitmore produced the closest match with the former just getting the verdict by 10 ounces. In the Final Ian will meet Steve Cox who defeated Bob Hinks but this could have been a lot different if Bob had not lost some cracking fish from his margin line.

We will be counting your individual results from this years Doubles match and they will count towards the league tables. Please remember you will drop your worst result throughout the season and if for any reason you miss a match you will be awarded 10 points. If two or more are on the same number of points overall weight will decide the positions.

## PRESENTATION EVENING

Sorry for the delay in arranging our end of season knees up, but the truth is I have been struggling to secure a venue during November. Unfortunately Dave Crosby (Crocker) who looked after us brilliantly last year is no longer involved in the club business and I was kind of hoping we could book his club again. Dave I don't want you losing any sleep over this (If you would) but it's down to me for presuming.

After several unsuccessful phone calls to various clubs I have ended up going back to the Aston Social Club on Saturday 23rd November. I have booked the big room so fingers crossed let's hope we have a good turn out.

## TROPHIES

It's that time of the year again I must ask those who won annual trophies last season to return them please so I can get them engraved ready for the presentation. Also can you give it some thought about who you would like to vote for in this season's Clubman Of The Year. If you could write the name down or tell me at the last match it would be most appreciated. I don't want to influence you in any way but two names stick out at the moment and they are John Male for all the hard work he has done on the web site and Ian Rennie who's had a remarkable season in Division Three.

## NEW MEMBER

I have been approached by a guy who works with Ian Hughes in the transport department about joining us next season. His name is Paul Hotchkiss and he will be fishing as a guest on our final two matches of the season. I will be putting Paul's name forward at the AGM to be voted in.

## WE WILL HAVE 12 PAIRS

You will read on the next page that we only have 11 pairs for the doubles match at Cob House. This has changed since I wrote the write up we now have the 12 pairs with our regular guest's Jeff and Mary teaming up to bring us back to our full numbers.

## THANKS BOB & IAN

Many thanks to Bob Hinks and Ian Hughes for their help at Coppice Lane it was much appreciated. With the absence of John Male Bob Hinks stepped in to collect the money while Ian Hughes replaced Rob Cox who was on holiday to help with the weigh in.

Due to holidays and work commitments we are down to 11 pairs instead of the original 12. Rob Parsonage is replacing Alan Martin, and with Keith Snazle missing the match we have moved Bob Hinks to partner Rob Cox. It's a little disappointing having to do this but at least we have everyone paired up. The captain of each pairing will draw an envelope in which you will find your peg numbers. It is up to the captain to decide who will fish in each peg. He will then write the names on the sheet and return it to Steve Cox and pay the £5 pools money for each person to John Male.

One section of 11 will fish on Wyatts pool and the other section will be on the New Oak Pool. The winner of each section will receive One point, second Two points and so on down to eleventh. The winning team will be the one with the least number of points. If two or more teams are level then weight countback will decide the positions.

It would help those organizing the event if you can return your forms to the appropriate people as soon as possible which will help them reach their pegs in good time to set up.

# A CRACKER ON ALL ACCOUNTS

Our recent Teams of Three event held at Bonehill Mill turned into what's probably the best match we have had in

the competition to-date. Just two points separated the top five teams at the end and it was calculators at the ready to decide who won what on weight count back. First it was congratulations to Micky Small who produced the best weight on the day and then it was congratulations to all who took part they amassed a total on the day of 713 pound and 4 ounces. When you consider the year before the same number where fishing the same pool and could only muster 365 pound 4 ounces. Doing the maths that's an impressive 348 pound more.

Those who fished the pool earlier in the week and the owner Neil said before the match the pool was fishing very well, but no one thought it would fish that well on the day.

## CHAIRMAN LOU LEADS THE WAY

Lou Hughes leads the way in the biggest fish award with a nice 9-2 Carp from Coppice Lane.

## BEST WEIGHT FOR PETE

Peter Bullock is still out in front for the best Individual weight award. Pete put 86-12 on the scales at Pipehill.
