EASY WIN AND VENUE RECORD FOR PETE BULLOCK

Peter Bullock eased his way to a super win on a very patchy Alders Pool at Pipehill Farm Fishery. To emphasize the nature of his win he had over 60 Lb to spare and his finishing weight of 86-12 is a new venue record. Pete knew he was in for a good day when he drew peg 1 out of the bag and he put his fortunate draw to good effect. He fished the pole throughout the match with banded pellet under the trees on the far side.

Sean Durrant continued his fine form of late to finish in second place from peg 5 on the left hand bank of the pool. Sean used the feeder and pole and ended with 26-08. With his fine showing Sean has now pulled three points clear at the top of the second Division.

It was nice to see Colin Parsonge in the frame claiming third place from the isolated peg 10 at the far end of the pool. Colin did not have a fish in his net in the first three hours of the match but changed his approach using pole to the island with Z's and put 17-12 on the scales.

Kieran Smith had his best result of the season ending in fourth place. Kieran put together a nice mixed bag of Carp and Silvers for his 12-0. Kieran could have put a lot more on the scales but he lost a lot fish mid match.

Mark Jones moved up the First Division table with fifth place ending with 11-2 and close friends Dave Crosby and Dave Robinson tied for sixth both recording 10-4.

TEAMS OF THREE

Due to holidays and Steve Smith pulling out of the Club we have had to make a few changes to the draw. This is unfortunate but we now have seven teams instead of the eight. Team three is now vacant with Darren Bullock replacing his brother Peter who will have to miss the match due to holidays in team 4. The other member drawn in team three was Brian Tovey who will now move to team 2 and replace Keith Snazle. We just hope that Steve Kavanagh can make the match and we will have our seven teams.

BIRMINGHAM BANTER TROPHY

With his super win on the Alders Pool Peter Bullock will collect the Birmingham Banter Trophy at the Presentation evening. The trophy was donated by Dave Crosby and the way he started the match it looked like another person donating a trophy would win it first time around.

 Mill Fishery.

08.00 am DRAW

Please remember due to rules of the fishery the draw will be at 08.00 am. The captain of each team will draw an envelope in which will be a form stating what pegs your team will fish from. It will be up to the captain to determine which member of his team will fish in each peg. The captain will write the names of his team members on the form also the team name (clean please). The captain will then hand the form back to myself.

The winning team will be determined by who has the least section points at the end, if two or more teams are level then weight count back will decide.

To be fair on those who will be organizing the competition it would be appreciated if the captains could have their forms back at a reasonable time.

JOIN THE WAITING LIST THE CLUB IS FULL

Founder member and the present chairman of the early draw club otherwise known as the Blue Rinse Brigade is being in-undated with request's to join the now famous club.

Lou Hughes message to all those seeking a place is simple join the waiting list the club is full. Lou doesn't mind giving out temporary membership to those who really need it on the day but long term you have no chance. The decision came about after a debate with the local Ring and Ride who are refusing to put on bigger buses.

THINGS CAN ONLY GET BETTER

What a rough time our club have experienced during the past couple of weeks. It started with the sad news that one of our founder members Dave Norton passed away after a long illness. Dave was a popular member in our early days and will be sadly missed. I would like to thank the three members who attend Dave's funeral not only as friends but also representatives of our club.

I know it's not as the same importance but we suffered more bad news a couple of days latter when 2013 new member Steve Smith due to work commitments had to pull out of the club. It's a shame because Steve was just settling down and enjoying his fishing.

At the half way stage of our ten match season John Male held a massive five point advantage at the top of the first division which suggest's this could be the year he regains the title he won back in 2009. John has been pushing for the title in recent season's but he has found Steve Kavanagh a tough nut to crack when the honours are decided. John used to be and probably still is our king of the silvers when things are tight but a change of approach this season has seen him use the feeder more which is finding the bigger fish.

BOB'S PUSHING FOR A RETURN TO THE FIRST

After a couple of mediocre seasons in the second division Bob Hinks is finally making a push for a return to the first division. After a spate of various setbacks Bob is settling down and producing some consistent results which has helped him move up to the right end of the table.

If he is successful in his quest to return to the top flight Bob should have no problems mixing it with the big boys after all he did win the first division back in 2007.

NAME CHANGE

I hope you don't mind but I thought it only right that We changed the name of The Mrs Pat Hurlbutt trophy after her daughter passed away recently. It will be known as the Pat and Louise Memorial Trophy.
