SORRY.........

I'm very sorry but I forgot to hand out the forms to vote for your Clubman Of The Year at our last match at Cob House Fishery. So could you please write the person's name you would like to vote for on an old five pound note and hand to me at match at Weston Lawns.
The successful person will be announced at our Presentation evening on Saturday November 23rd.

SORRY.........

It's with regret that I have to say that we will not be allowing any guest's to fish our last match at Weston Lawns. We are fishing pool Three which originally had 24 pegs and now I'm being told one of them has been taken out. I have to take into account that if all our present members (less Steve Smith) turn up we will just have enough pegs. So I must apologize to all our regular guest's who have been fishing with us recently.

HOLIDAYS.........

Just to let you all know that I will be on holiday for a couple of weeks from the 2nd October. So If you ring me for anything please don't think I'm ignoring you.
John Male will also be going on holiday from the 4th October and the same apply's to him.

NICE SEE TO YOU ROB.........

It was nice to see Rob Parsonage back fishing with us at Cob House Fishery. I bet it gave him great pleasure to weight in just four ounces in front of Colin his dad. One thing Rob hasn't lost is his know how in the banter stakes, the one liners he was handing out around the Oak Pool before the start where out of the top draw.

WELL DONE IAN RENNIE RECORD BREAKER 121 lbs 7 ozs
