I think it would be a little unfair of me to comment on the match with me in foreign parts, but I have received an E-Mail from John Male about the day.

Firstly I must congratulate Ash Chesters on his victory putting a mixed bag onto the scales for 20 pound 10 ounces. Ash fishes our Saturday Afternoon Charity matches and drew peg 15 out of the hat which proved to be the area with deeper water infact the first three came from pegs 14 15 and 16. Unfortunately due to our club rules Ash will not receive the Edna Cox Memorial Trophy that will go to second placed Sean Durrant who managed to put 20-05 on the scales with another mixed bag. Peter Bullock who is having a fine start to the season claimed the third spot with 15 pound 5 ounces. Andy Taylor from peg 4 finished with a level 13 pound at the weigh in to take fourth whilst Jeff Turner with 11-9 took Fifth position.

John reported a couple of hard luck stories, Kieran Smith with his first put in thought he had hooked a whale only to find out he had hooked some discarded tackle which took him 30 minutes to sort. Corey Charnell hooked a lump near the end of the five hour match only to be broke after the final whistle.

John was not happy with the state of the pool regards the scum on the water and also the variable depths around all of the pool which doesn't help.

### GUEST'S

**Could all members please ask myself or John Male before inviting guest's to fish our club matches. Our club have always encouraged guest's in any of matches but we have to make sure we have enough pegs. John could have had a problem at Weston Lawns if Chris Thorpe had turned up because it could have been embracing not only for the club but also telling Ash he couldn't fish the match.**

We will be counting your individual results from this years Doubles match and they will count towards the league tables. Please remember you will drop your worst result throughout the season and if for any reason you miss a match you will be awarded 10 points. If two or more are on the same number of points overall weight will decide the positions.

### HI I'm BACK

Hi to everyone, I'm back after a very warm couple of weeks in Greece.

You can see I have updated the League tables and I have dropped your worst result after the first two matches. In Division One by virtue of a better overall weight Andy Taylor leads the way from John Male but like I always say at this stage the league's do not settle down until after Four or Five matches. After Andy and John comes Kieran on two points followed by Dave Skinner and defending champion Rob Cox on Three. The two promoted members from last season Paul Hotchkiss and Bob Hinks are level on Four with Ian Rennie on Six.

In Division Two we have three level on One point and sorted into position by their overall weight to date. Sean leads the way followed by Peter and Juan. We have Three members all on Three points again separated by overall weight. Jeff Turner is just in front of Darren Bullock who is followed by Brian Tovey. Dave Crosby is on Four whilst Steve Cox is a further point behind on Five.

Mick Farrell and Colin Parsonage are locked at the top of Division Three both having one point but Mick has the better weight. Ian Hughes is having a good start to the season just a point behind the leaders with Jim Barron making a steady start on Four. Corey Charnell just has the edge on Mary Turner with both members on Five, Chris Thorpe has Six with young Leo Mc Laughlin stuck on Seven.
